

MENTOR'S GUIDE TO BASLP — BACHELOR OF AUDIOLOGY & SPEECH-LANGUAGE PATHOLOGY

A Complete Career Roadmap for Students from Uttar Pradesh & Across India

Course | Institutions | Fees | Admission | RCI | Scam Prevention | Salary | Masters | International

Prepared June 2026 | For Students & Families

PARAMEDICAL TIER 1 RANKING — #4 OF 35 COURSES

RCI-Regulated | India's Most Critical Shortage Profession | World-class
International Pathway

MENTOR'S OPENING NOTE

Dear Student and Family,

If you care about people, love science, and want a career where technology meets compassion — BASLP may be the finest choice you never heard of. That is precisely why it is worth your attention.

India has roughly **50 million people with speech disorders** and over **63 million with disabling hearing loss**. Trained professionals? Fewer than 15,000. That gap is your career opportunity.

BASLP is ranked **Tier 1, #4 in employability** among 35 paramedical courses — ahead of Physiotherapy, MLT, and Imaging Technology. It is **RCI-regulated** (like the Bar Council or Medical Council), which means your degree has legal standing. It has one of the clearest international pathways in the allied health sciences — to the UK, USA, Canada, Australia, and the Gulf.

This guide is written honestly, the way a knowledgeable elder would speak. No selling. No exaggeration. Read every section before talking to any college or agent.

SECTION 1 — COURSE AT A GLANCE

What is BASLP?

BASLP trains professionals to **assess, diagnose, and treat disorders of speech, language, voice, fluency (stuttering), swallowing, and hearing**. A BASLP graduate works with:

- Children who cannot speak or have delayed language development
- Stroke and brain-injury patients who lose speech (aphasia)
- People with hearing loss — fitting hearing aids, cochlear implant rehab
- Children and adults who stutter
- Cancer patients who lose voice (laryngectomy rehabilitation)
- Autism spectrum disorder children — communication therapy
- Elderly patients with dementia-related speech and swallowing problems

Think of a **BASLP graduate as the doctor for the human voice and communication system** — a specialist that a neurologist, ENT surgeon, oncologist, and paediatrician all refer patients to.

Parameter	Details
Full Name	Bachelor of Audiology and Speech-Language Pathology (BASLP)
Duration	4 Years: 3 years academics (6 semesters) + 1 year compulsory clinical internship
Eligibility	Class 12 (10+2) — Physics, Chemistry, Biology (PCB) — Minimum 50%
NEET Required?	NO — NEET is NOT required at any BASLP institution in India
Age	Minimum 17 years; some institutions have a 21-year upper limit
Regulator	Rehabilitation Council of India (RCI) — statutory body under Ministry of Social Justice
Fees Range	Government: ■3,900–■65,000/year Private: ■60,000–■3.0 lakh/year
Starting Salary	■3–5 lakh/year (fresher) rising to ■12–20 lakh/year (experienced)
Private Practice	YES — you can open your own speech & hearing clinic after 5 years experience
Key Subjects	Anatomy & Physiology, Audiology, Speech-Language Pathology, Hearing Aids, Cochlear Implants, Neurogenic Disorders, Voice Disorders, Child Language
Postgraduate Path	MASLP (2 years) or MSc Audiology / MSc SLP — opens senior clinical & academic roles

SECTION 2 — WHY BASLP? THE BIG PICTURE

The Numbers That Drive Demand

Indicator	Figure	Implication
People with speech disorders in India	~50 million	Massive untreated population

Indicator	Figure	Implication
People with disabling hearing loss	~63 million	WHO 2024 estimate
Trained BASLP professionals in India	~10,000–15,000	Catastrophic shortage
Speech therapists needed (ideal)	~2 lakh+	20x current supply
Global speech therapy market (2028)	USD 6.1 billion	Growing at 6.2% CAGR
Children with autism in India (est.)	~18 million	All need speech therapy
Cochlear implant surgeries/year India	Rapidly rising	Creates RTT + BASLP demand

Work-Life Balance — Honest Assessment

- Generally structured 9 AM–5 PM clinic or hospital hours — no night shifts in most settings
- Private clinic ownership is possible — you set your own schedule
- School-based positions follow school hours — excellent for work-life balance
- Some hospital roles have rotational weekend duties — manageable
- Emotionally fulfilling — seeing a non-verbal child say their first word is irreplaceable
- No physical hazard (unlike radiotherapy) — purely clinical and therapeutic work

Why BASLP Beats Many Other Paramedical Courses

- **RCI regulation = legal protection + government recognition (most paramedical courses lack this)**
- **Private practice is allowed after experience — potential for ■1.5+ lakh/month self-employed income**
- **International pathway to UK, USA, Canada, Australia is clear and well-trodden**
- **Entrepreneurship potential: speech therapy centres, hearing aid dealerships, tele-therapy platforms**
- **Works in 7+ different settings: hospitals, schools, NGOs, corporates, research, abroad, own clinic**

SECTION 3 — SEMESTER-WISE SYLLABUS

The curriculum is standardised by RCI. Below is the typical structure across recognised institutions — your specific university may have minor variations.

Year / Semester	Key Subjects & Topics
Year 1 (Sem 1 & 2)	Human Anatomy & Physiology Biochemistry Physics of Sound & Speech Introduction to Audiology Introduction to Speech-Language Pathology Psychology Computer Skills
Year 2 (Sem 3 & 4)	Anatomy & Physiology of Speech & Hearing Phonetics & Linguistics Hearing Assessment & Audiometry Speech Disorders in Children Voice & Resonance Disorders Hearing Aid Technology Basic ENT
Year 3 (Sem 5 & 6)	Neurogenic Communication Disorders (Aphasia, Dysarthria) Cochlear Implant Rehabilitation Fluency Disorders (Stuttering) Aural Rehabilitation Language Disorders in Adults Research Methodology Clinical Practicum
Year 4 (Internship — 1 full year)	Supervised rotations: ENT clinic, paediatric ward, rehabilitation centre, special school, adult neurology ward, hearing aid fitting. Mandatory RCI-recognised clinical hours for CRR registration.

RCI Registration (CRR): After completing BASLP + internship, you must register on the **Central Rehabilitation Register (CRR)** maintained by RCI (rci.nic.in). This is your licence to practise. Without CRR registration, you cannot legally work as a speech therapist or audiologist in India. It is mandatory and must be renewed by earning Continuing Rehabilitation Education (CRE) points.

SECTION 4 — GOVERNMENT INSTITUTIONS (TRY THESE FIRST)

Government colleges offer RCI-approved, hospital-attached training at a fraction of private fees. Always apply to at least 4–5 government institutions simultaneously. **For UP students: SGPGI Lucknow and BHU Varanasi are your best local government options.**

Tier A — National Government Institutes (Top Priority)

Institution	Location	Fees	Admission	Why Choose It
AIISH Mysuru (All India Institute of Speech & Hearing)	Mysuru, Karnataka	~■63,000 (total 3 yrs)	All India AIISH Entrance Exam (CBT — April/May)	Premier national institute est. 1966. NAAC-A, RCI-approved. Affiliated University of Mysore. Oldest & most reputed BASLP institution in India. Ultra-competitive.
PGIMER Chandigarh	Chandigarh	~■30,000–■50,000/yr	PGIMER Entrance Exam (Written — June)	Attached to major hospital. Excellent clinical training. North India benchmark.
AYJNISHD Mumbai (Ali Yavar Jung National Institute)	Mumbai, Maharashtra	~■25,000–■40,000/yr	All India Entrance Exam (AYJNISHD conducts own test)	Govt. of India institute. Specialises in disability rehabilitation. Strong RCI standing.
NISH Trivandrum (National Institute of Speech & Hearing)	Trivandrum, Kerala	~■30,000–■60,000/yr	Merit + entrance	Government of Kerala; excellent infrastructure; South India option.
AIIMS Delhi (Allied Health Sciences)	New Delhi	~■5,000–■15,000/yr	AIIMS Allied Health Paramedical Entrance	Most prestigious name. Very limited seats. Highly competitive.
SGPGI Lucknow (UP — Home State!)	Lucknow, UP	~■20,000–■40,000/yr	SGPGI Entrance / State Merit	Best UP government option for BASLP. Close to home for UP students.
JIPMER Puducherry	Puducherry	~■10,000–■20,000/yr	JIPMER Allied Health Entrance	Central Govt institute. South India. Strong clinical exposure.
BHU Varanasi (Banaras Hindu University)	Varanasi, UP	~■15,000–■25,000/yr	BHU PET (Feb–March)	Central university in UP. Excellent value. Strong preference for UP students.
GGSIU Delhi (Guru Gobind Singh IP Univ)	New Delhi	~■30,000–■50,000/yr	GGSIU CET Paramedical	Delhi state government university. Good hospital network. Near UP border.
SCBMCH Cuttack (SCB Medical College)	Cuttack, Odisha	~■15,000–■25,000/yr	State merit / entrance	Government; Odisha state institution. Growing infrastructure.

UP Student Priority List: (1) BHU Varanasi — central university, PCB + BHU PET, minimal fees. (2) SGPGI Lucknow — state government, excellent hospital attachment. (3) GGSIU Delhi — 2-hour drive from western UP. (4) AIIMS Delhi — if you are academically very strong.

SECTION 5 — PRIVATE INSTITUTIONS & FAMILY INCOME GUIDANCE

Critical Reminder: Private colleges must be (a) RCI-approved, (b) affiliated to a UGC-recognised university, (c) NAAC accredited, AND (d) have a hospital attached. Verify all four before paying any fees.

Reputed Private Institutions

Institution	Location	Annual Fees	Admission	Why Choose It
Christian Medical College (CMC) Vellore	Vellore, TN	~■16,500/yr (exceptionally low)	CMC entrance + merit	Semi-private; among the best clinical training in India. NAAC-A++. Highly sought-after.
Manipal College of Health Professions (MAHE)	Manipal, Karnataka	~■1.2–■1.8 lakh/yr	MET entrance	Top-ranked private university. NAAC A++. International collaborations. Good placements.
Amrita Vishwa Vidyapeetham	Kochi / Coimbatore	~■80,000–■1.5 lakh/yr	AEEL entrance (Amrita entrance)	Pioneer in BASLP. NAAC A++. Excellent labs. Age limit: 17–21 years.
SRM Institute of Science & Technology	Chennai	~■80,000–■1.2 lakh/yr	SRMJEEE / merit	NAAC A++. Large hospital network. Good placement track record.
Nitte (Deemed) University (Dr MV Shetty College)	Mangalore, Karnataka	~■2.35 lakh/yr	Merit + interview	RCI approved. Strong clinical programme. Karnataka option.
SGT University	Gurugram, Haryana	~■80,000–■1.0 lakh/yr	SGT entrance / merit	Close to Delhi-NCR / UP. RCI approved. Growing infrastructure.
Noorul Islam Centre for Higher Education	Kanyakumari, TN	~■60,000–■80,000/yr	Merit	Deemed university. Tamil Nadu. Affordable private option.
Bharati Vidyapeeth Deemed University	Pune, Maharashtra	~■1.0 lakh/yr	BVP CET	MASLP also offered. Good MASLP programme for those planning postgraduate.
Acharya Institute of Technology	Bangalore, Karnataka	~■70,000–■1.0 lakh/yr	Merit	RCI recognised. Bangalore location — good for clinical exposure.
IHS (Institute of Health Sciences)	Bhubaneswar, Odisha	~■1.0–■1.5 lakh/yr	IMAT entrance	Emerging institution. Research-oriented. Good for Odisha/East India students.
Amity University	Manesar, Haryana	~■1.0–■1.5 lakh/yr	Amity JEE / merit	Near UP border. Private; verify hospital affiliation before admitting.

Guidance by Family Income Level (UP Focus)

Family Income	Recommended Path	Scholarships / Funding
Family Income	Recommended College Path	Scholarships / Funding
Below ₹2.5 lakh/yr (Marginal / Rural UP)	Target BHU Varanasi, SGPGI Lucknow, AIISH Mysuru. Fees ₹15,000–₹65,000/year total. Hostel available. Fully achievable with preparation.	NSP (National Scholarship Portal), UP Scholarship Portal, SC/ST/OBC reservation quota, PM CARES Education
₹2.5–8 lakh/yr (Lower Middle Class)	Government first (BHU, SGPGI, GGSIPU). If missed, CMC Vellore (remarkably low fees ₹16,500/yr) or Noorul Islam. SBI/PNB education loan at 8.5%.	NSP scholarships, Central Sector Scheme, Education loan up to ₹4 lakh without collateral
₹8–20 lakh/yr (Middle Class)	Government preferred. Else: Manipal, Amrita, SRM. Budget ₹8–15 lakh total for 4 years.	Merit scholarships at private universities. Education loans easily available.
Above ₹20 lakh/yr (Well-to-do)	All options open. Best: CMC Vellore or Manipal. Plan MASLP + international certification from Year 2.	Focus on best institution, not lowest fee.

SECTION 6 — ADMISSION ROADMAP

Eligibility — Simple Summary

- Class 12 with Physics, Chemistry, Biology — minimum 50%
- NEET is NOT required — purely merit/entrance based
- Age: Minimum 17 years (some colleges also have 21-year upper limit — check before applying)
- PCM students (Maths instead of Bio) are accepted at some institutions — verify individually

Key Entrance Exams

Exam	For Which Colleges	When	Mode	Syllabus Basis
All India AIISH Entrance Exam	AIISH Mysuru	April–May	CBT Online	Physics, Chemistry, Biology, English — PCB level
PGIMER Entrance Exam	PGIMER Chandigarh	March–May	Written	PCB + Reasoning
AYJNISHD Entrance Exam	AYJNISHD Mumbai	April–June	Written	PCB + General Knowledge
BHU PET (Banaras Hindu Univ)	BHU Varanasi (UP)	Feb–March	CBT Online	PCB + English
SGPGI Entrance / UP DMET State Merit	SGPGI + UP Govt Colleges	June–July	Written + Merit	Merit-based + interview in some cases
AIIMS Allied Health Entrance	AIIMS Delhi	March–April	CBT Online	PCB + general sciences
JIPMER Allied Health Entrance	JIPMER Puducherry	April–May	CBT Online	PCB + English
GGSIU CET Paramedical	GGSIU Delhi	April–May	CBT Online	PCB + English + GK
MET (Manipal)	Manipal University	Jan–April	CBT Online	PCB + English
AEEL (Amrita)	Amrita University	Jan–April	CBT Online	PCB + English
BVP CET	Bharati Vidyapeeth	March–April	CBT Online	PCB + English
CMC Entrance	CMC Vellore	April–May	Written	PCB — very competitive; 50–55% minimum

12-Month Preparation Timeline for UP Students

Phase	Action
Class 11 (Now)	Focus on PCB — target 70%+ in Class 12. Register on NSP. Shortlist 5 target colleges. Visit RCI website (rci.nic.in) to check approved institutes.
Class 12 Jan–Feb	Download AIISH / BHU / PGIMER prospectus. Fill UP scholarship forms. Begin BASLP entrance prep (PCB + English + GK).
Class 12 Boards (Feb–March)	Appear in boards. Score 65%+ for broad options. Apply to all entrance exams simultaneously.
April–June	Appear in AIISH / BHU PET / PGIMER / AIIMS / JIPMER / GGSIPU exams. Apply to private colleges as backup.
July–August	Counselling rounds. Never reject a government seat without a solid plan. Confirm seat by paying fees promptly.
After Admission (Year 1–4)	Attend all clinical postings seriously — your CRR registration depends on clinical hours. Start IELTS prep from Year 2 for international aspirations.
After Graduation + Internship	Register on RCI Central Rehabilitation Register (CRR). Then: job OR MASLP OR international path.

Entrance Exam Preparation Tip: AIISH Mysuru entrance is the hardest but most prestigious. Focus on Class 12 PCB (NCERT level), English grammar, and general knowledge about speech/hearing disorders. Previous years' papers are available on the AIISH website. 3 months of dedicated preparation is sufficient for BHU PET and SGPGI.

SECTION 7 — SCAM PREVENTION (MUST READ BEFORE PAYING ANYTHING)

Specific UP Warning: Uttar Pradesh has NOT yet constituted an official State Allied and Healthcare Council under NCAHP Act 2021 (as of June 2026). This vacuum is exploited by fake bodies. In UP, verify any institution through **UP State Medical Faculty (upsmfac.gov.in)** AND through **RCI (rci.nic.in)**. Both checks are mandatory.

8 BASLP Scam Types

Scam Type	What They Do	Red Flag Signal
Fake RCI Affiliation	Claims "approved by All India Rehabilitation Council" or similar — only one body matters: RCI (rci.nic.in). Check the official RCI approved college list.	Name not on rci.nic.in recognised college list
Distance / Online BASLP Degree	Offers BASLP by distance, correspondence, or online mode. IMPOSSIBLE — clinical internship requires physical presence in a hospital.	Any BASLP "online" or "distance" mode is FRAUD
Diploma Sold as Degree	Sells a 2-year Diploma in Audiology but markets as "equivalent to BASLP." It is NOT. Employers reject it.	Check if it says Degree (4 years) vs Diploma
Fake University Affiliation	College claims affiliation to a university not on UGC list. Degree is worthless.	Verify university on ugc.gov.in immediately
Agent "Guaranteed Seat" Scam	"Pay ₹80,000 now and I guarantee a seat at AIISH / PGIMER." These institutes never use agents.	Any agent demanding cash advance = fraud
No Hospital Attachment	College shows MOU with hospital but students never train there. You complete 4 years with zero clinical skills.	Visit the hospital yourself; ask to meet current students
Fake "RCI-Affiliated" Council	Private bodies with names like "National Rehabilitation & Paramedical Council" operate as fake affiliators. Only RCI is the statutory body.	Search the body name + "fake" on Google; verify on rci.nic.in
WhatsApp Admission Agent	Random contact offering admission to top colleges for online transfer.	Delete. Report to cybercrime.gov.in

The 6-Step College Verification Checklist

- ✓ Step 1: Go to rci.nic.in → "Institutes" → search the college name. If not listed, walk away.
- ✓ Step 2: Check ugc.gov.in → "University List" → verify the university the college is affiliated to.
- ✓ Step 3: Check naac.gov.in → "Know Your Institution" → must have NAAC rating.
- ✓ Step 4: For UP colleges → upsmfac.gov.in → approved institutes list.
- ✓ Step 5: Call the attached hospital directly — ask if BASLP students rotate there.
- ✓ Step 6: Search "[College Name] scam reviews complaints" on Google. Real reviews exist.

■ **ABSOLUTE RULE:** AIISH Mysuru, PGIMER, AYJNISHD, BHU, SGPGI, AIIMS — all admit ONLY through official entrance exams. No agent, no donation, no management quota. Full stop.

SECTION 8 — CAREER PATHS & SALARY GUIDE

Job Roles and Salary

Job Role	Workplace	Fresher Salary	Experienced Salary
Clinical Audiologist	Hospitals, ENT clinics, hearing aid centres	■20,000—■35,000/ mo	■60,000—■1.5 lakh/mo
Speech-Language Pathologist (SLP)	Hospitals, rehabilitation centres, NGOs	■18,000—■30,000/ mo	■50,000—■1.2 lakh/mo
School-Based Speech Therapist	Special schools, mainstream schools (inclusion)	■20,000—■35,000/ mo	■40,000—■70,000/mo
Cochlear Implant Rehab Specialist	Tertiary hospitals, implant centres	■25,000—■40,000/ mo	■60,000—■1.5 lakh/mo
Hearing Aid Specialist (Audiologist + Sales)	Hearing aid companies (Phonak, Signia, ReSound)	■30,000—■60,000/ mo	■70,000—■1.5 lakh/mo
Government Audiologist (ESIC / Railways / NHM)	Central/State Govt hospitals	■35,000—■50,000/ mo (7th Pay Commission)	Pay + perks + pension
Academic / Lecturer (after MASLP)	Medical / paramedical colleges	■35,000—■60,000/ mo	■80,000—■1.5 lakh/mo
Private Clinic Owner (5+ years experience)	Own speech & hearing clinic	■50,000—■80,000/ mo initial	■1.5—■4 lakh/mo (established)
Tele-therapy Platform (Startup)	Online speech therapy (e.g. 1Speech, TalktoAngel)	■25,000—■45,000/ mo	Growing rapidly; equity possible

Top Recruiters

- Government: AIIMS (all campuses), NIMHANS, AYJNISHD, SGPGI, ESIC, Defence Services, NHM, District Hospitals
- Private Hospitals: Apollo, Fortis, Medanta, Max Healthcare, Manipal Hospitals, Aster, Narayana
- Rehabilitation: National Trust NGO, Sense International, CBM India, Enable India
- Hearing Aid Industry: Phonak, ReSound, Signia (WS Audiology), Starkey, Cochlear Ltd, MED-EL
- Special Schools: Perkins India, NAB, ICCONS, Spastics Society of India
- Tele-therapy Platforms: 1Speech, TalktoAngel, Speakit, BetterSpeech (growing market)

15-Year Career Progression Ladder

Years	Stage	Approx. Salary
0–2 years	Junior SLP / Junior Audiologist — basic assessment, therapy delivery	■20,000—■30,000/mo
2–5 years	Senior SLP — complex cases, supervision of students	■35,000—■55,000/mo

Years	Stage	Approx. Salary
5–8 years (with MASLP)	Clinical Specialist — cochlear implants, fluency, AAC, voice	■60,000–■1 lakh/mo
8–12 years	Head of Department / Clinic Director / Principal SLP	■80,000–■1.5 lakh/mo
12–15 years (International)	Registered SLT (UK NHS) / CCC-SLP (USA) / Australia	■2.5–■6 lakh/mo equiv.
Any point (Private clinic)	Own Speech & Hearing Clinic (after 5 years)	■1–■4 lakh/mo (variable)

SECTION 9 — MASTERS PROGRAMMES AFTER BASLP

This is where BASLP truly separates itself from other paramedical courses. The postgraduate pathway is well-structured, RCI-recognised, and leads to dramatically higher salaries and international eligibility.

MASLP / MSc Audiology / MSc SLP — Top Colleges

Eligibility for MASLP: BASLP degree from RCI-recognised institution with minimum 50% (55% for AIISH) + completed 1-year internship.

Institution	Location	Duration	Admission	Fees (Approx)	Why Choose It
AIISH Mysuru (MSc Audiology + MSc SLP)	Mysuru, Karnataka	2 years	All India AIISH Entrance Exam	~₹30,000–₹50,000 (total)	Gold standard — most prestigious PG in India. Separate streams: Aud and SLP.
PGIMER Chandigarh (MASLP)	Chandigarh	2 years	PGIMER Entrance	~₹40,000–₹80,000/yr	Excellent hospital; North India premier option.
AYJNISHD Mumbai (MASLP)	Mumbai	2 years	AYJNISHD Entrance	~₹50,000–₹1 lakh/yr	Government; strong disability focus.
BHU Varanasi (MSc SLP)	Varanasi, UP	2 years	BHU PET	~₹20,000–₹30,000/yr	Central university in UP — excellent value for UP students.
Manipal (MAHE) (MSc Audiology)	Manipal, Karnataka	2 years	MET entrance	~₹1.2–₹1.8 lakh/yr	International collaborations; good for international pathway prep.
Amrita Vishwa Vidyapeetham	Kochi	2 years	AEEL entrance	~₹1.0–₹1.5 lakh/yr	Strong research focus. Good for academics.
CMC Vellore	Vellore, TN	2 years	CMC entrance	~₹40,000–₹70,000/yr	Exceptional clinical training. Globally recognised degree.
Bharati Vidyapeeth (MASLP)	Pune	2 years	BVP CET	~₹2.5–₹4.5 lakh (total)	Private; both Aud and SLP specialisations.
SRM University	Chennai	2 years	SRMJEEE	~₹1.0–₹1.5 lakh/yr	NAAC A++; large hospital.
IIHER Patna	Patna, Bihar	2 years	Entrance exam	~₹80,000–₹1.2 lakh/yr	Closer to UP than South India options; emerging institution.

Specialisation Options After BASLP / MASLP

Specialisation	Focus Area	Key Institutions	Career Outcome
MSc Medical Audiology	Advanced hearing assessment, cochlear implants, auditory processing disorders	AIISH Mysuru, Manipal	Leads to senior clinical specialist / researcher roles
MSc Speech-Language Pathology (specialised)	Neurolinguistics, AAC (Augmentative Communication), Paediatric SLP, Dysphagia	AIISH, CMC, Manipal, Amrita	Advanced clinical and research career
PhD in Audiology / SLP	Research-focused; 3–5 years after MSc	AIISH, BHU, Manipal, AMU Aligarh	Academic / research career; ■1–2 lakh/mo in academia
PGDAVT (PG Diploma Auditory Verbal Therapy)	Specialised technique for children with hearing loss	AIISH Mysuru only	Niche but powerful specialisation; high demand
MBA Healthcare Management	Hospital administration, health system management	IIHMR, TISS, Symbiosis, IIHM	Move into hospital management: ■8–15 lakh starting
MPH (Master of Public Health)	Community hearing health, disability public health	AIIMS, TISS, Manipal	WHO, UNICEF, government health programmes

Mentor's Recommendation: If you get into a strong government institution for BASLP, plan for MASLP at AIISH Mysuru or BHU. This combination — BASLP from a government college + MASLP from AIISH — is the single most powerful credential in Indian audiology. It opens every door: government jobs, private hospitals, international pathway, and academic careers.

SECTION 10 — INTERNATIONAL CAREER PATHWAYS

BASLP has one of the **clearest international pathways of any Indian paramedical course**. The profession is globally standardised. Speech therapy and audiology are in official shortage lists in UK, USA, Canada, Australia, and the Gulf.

United Kingdom — NHS Speech and Language Therapist

Parameter	Details
Registration Body	HCPC — Health and Care Professions Council (hcpc-uk.org)
Job Title in UK	Speech and Language Therapist (SLT)
Qualification Required	BSc SLT or MASLP equivalent — HCPC assesses your India degree
Language Requirement	IELTS Academic: 7.0+ (IELTS for UKVI version required)
Salary (NHS)	Band 5: GBP 28,407 Band 6: GBP 35,392 Band 7: GBP 43,742/yr
India Equivalent	GBP 28,000–45,000 = approx █30–48 lakh/year
Visa Route	Health and Care Worker Visa (Skilled Worker) — fast-tracked for NHS
Best Indian Degrees Recognised	AIISH Mysuru, CMC Vellore, Manipal, PGIMER, Amrita
Timeline	BASLP + 2 yrs experience + IELTS 7.0 → HCPC application → UK job

United States of America — ASHA CCC-SLP

Parameter	Details
Certification	ASHA CCC-SLP (Certificate of Clinical Competence in Speech-Language Pathology)
Requirement	Masters degree (MASLP) required for USA — BSc alone is NOT sufficient
Licensing	Each state has its own SLP licence — after ASHA CCC obtained
Salary (USA)	USD 60,000–90,000/year = █50–75 lakh/year
Visa Route	H-1B work visa or EB-3 (skilled worker immigrant visa)
Important Note	India BASLP alone does NOT qualify for USA practice. MASLP is mandatory. Some graduates do top-up MSc in USA itself.

Australia & New Zealand

- Registration: Speech Pathology Australia (SPA) — assesses India degree
- Australia salary: AUD 65,000–90,000/year (█36–50 lakh). 482 TSS visa → PR pathway.
- New Zealand: very high demand; Health New Zealand is a top employer
- BASLP + 2 years experience + IELTS 7.0 = eligible to apply

Canada

- Registration: SAC (Speech-Language & Audiology Canada) + provincial college (e.g. CASLPO in Ontario)
- Masters degree preferred for full registration in most provinces
- Salary: CAD 60,000–85,000/year (■37–52 lakh)
- Express Entry + Provincial Nominee Program (healthcare workers prioritised)

Gulf Countries (UAE, Saudi Arabia, Qatar, Kuwait)

- No additional licensing exam usually required — degree + experience is sufficient
- UAE / Saudi hospitals: AED 8,000–15,000/month (■1.8–3.4 lakh/month) — tax free
- Strong demand for speech therapists in paediatric centres and hospital rehab units
- **Best strategy for UP families:** Gulf first (1–2 years savings + experience) → then UK or Australia

International Pathway Decision Chart

Background	Best International Path	Timeline from Graduation
AIISH / CMC / PGIMER graduate	UK HCPC direct → NHS Skilled Worker Visa	2–3 years after BASLP graduation
Manipal / Amrita / SRM graduate	Gulf first (UAE/Qatar) → then UK/Australia	1 year after BASLP → Gulf; 4–5 years → UK/Australia
BASLP + MASLP (any institution)	USA (ASHA CCC-SLP) or UK NHS (direct)	3–4 years after MASLP
Any graduate — fastest abroad option	Gulf countries (UAE, Saudi, Qatar) — no extra exam	6 months–1 year after graduation
Research interest + academic inclination	MSc in UK/Australia → PhD → academic career abroad	2 years MSc abroad after BASLP

Language Preparation: Start IELTS Academic preparation from Year 2 of BASLP. Target 7.0 overall (7.0 in each component for UK). IELTS is your international passport. Do not wait until after graduation.

SECTION 11 — MENTOR'S FINAL GUIDANCE

The Honest Summary of BASLP

- ✓ BASLP is RCI-regulated — the only paramedical course in India with a statutory professional register
- ✓ India needs 2 lakh+ BASLP professionals — only ~15,000 trained. You will find work.
- ✓ Private practice is possible — with 5 years experience you can open your own clinic
- ✓ International pathway to UK, USA, Australia, Canada, Gulf is clear and well-trodden
- ✓ Work-life balance is excellent in most settings (clinic hours, school hours)
- ✓ No NEET required — a focused student from a village in UP can achieve AIISH Mysuru or BHU
- Scam risk is high — fake councils and unrecognised colleges operate heavily in UP
- Always verify on rci.nic.in and ugc.gov.in before paying a single rupee
- Distance/online BASLP is ILLEGAL and worthless — never consider it

Priority List for UP Students (Government Route)

- 1st: BHU Varanasi (Central university, UP, PCB + BHU PET, minimal fees)
- 2nd: SGPGI Lucknow (State government, UP, good hospital, SGPGI entrance)
- 3rd: GGSIPU Delhi (Near UP border, state govt, GGSIPU CET)
- 4th: AIISH Mysuru (National premier, competitive, worth attempting)
- 5th: AIIMS Delhi (Most prestigious, most competitive, Allied Health entrance)

Official Verification & Useful Portals

- RCI Approved Colleges: rci.nic.in
- UGC Fake University List: ugc.gov.in/page/Fake-Universities
- NAAC Accreditation: naac.gov.in
- UP State Medical Faculty: upsmfac.gov.in
- National Scholarship Portal: scholarships.gov.in
- AIISH Mysuru Admissions: aiishmysore.in
- PGIMER Chandigarh: pgimer.edu.in
- BHU Varanasi Paramedical: bhu.ac.in
- AYJNISHD Mumbai: ayjnishd.gov.in

This guide was prepared as mentorship support for students and families making paramedical career decisions. Always cross-verify institutional details directly with the college and official regulatory bodies before making any financial commitments. Information is current as of June 2026.
